

CFP 18.5 LCD Console

Flat Pack Local Rack Access

The CFP185KMM is an LCD console tray from Emerson Network Power that integrates the KVM Switch function of multiple ports in 1U. With space-saving and cost-efficient features, the CFP185KMM can manage multiple computers through a single set of console (LCD monitor, keyboard and mouse).

The CFP185KMM is easy to setup. Simply plug in the cables in their appropriate ports. No software required as the CFP185KMM8/16 works on any hardware platform and across all operating systems.

Features

- Integrated LCD display, keyboard, mouse and switch
- 18.5 inch LED energy-saving display
- Scissors feet ultra-thin keyboard
- The machine adapts the towline type protective design and signal cable design to avoid losses caused by repeated pumping
- High quality dedicated slide rail
- Overall 1U height, suitable for standard cabinet installation
- No need for software installation, can be operated directly from the computer
- Built in 90-264V AC power supply; optional -48V telecom stage DC power supply; provides safety protection at the telecommunication level
- Automatic power protection design. When device is not in use automatically enters in protected mode
- Meets DDC/DDC2/DDC2B standards complies with VESA standards

Technical Specifications

Model		CFP185KMM
Display	Resolution	1366 x 768 ; DDC2B
	Display Size	18.5 Inch
	Backlight	LED
	LCD adjustment	4 x Button
	LCD on / off	1 x Button
